## V E N U E

Dentons, **Rondo ONZ 1**, 00-124 Warsaw

The Polish-Ukrainian Chapter of the Spanish Arbitration Club (CEA) is delighted to invite you to its event in Warsaw focused on various aspects of the use of big data and artificial intelligence in arbitration, including the use of AI by arbitration counsel and arbitrators, the use of AI for the selection process of arbitrators or experts. The panelist will also discuss if AI could ever replace arbitrators in their decision-making role.

---

The event will be held in English. It is free of charge, however, registration is required.

In order to register, please send an e-mail to [administracion@clubarbitraje.com](mailto:administracion@clubarbitraje.com), providing your name, surname, contact details and professional association.

The event is associated with the International Conference Dispute Resolution in M&A Transactions, which is taking place in Warsaw on 23-24 May 2019. In order to learn more and register for this event, please go to: <http://disputeresolutionmaconference.com/>
