CAREERS IN ARBITRATION – Opportunities and Challenges for German and Spanish Lawyers

DIS40 and the Club Español del Arbitraje (“CEA”) invite you to the online event “CAREERS IN ARBITRATION – Opportunities and Challenges for German and Spanish Lawyers“.

Starting a successful career in arbitration is not an easy task. What is the best way to enter the world of international arbitration? Once you are working in the field, how can you create your own brand within the highly competitive arbitration community? And, how do you get the first appointment as an arbitrator?

Besides these “basic” questions we are keen on exploring how gender or the country where you practice law can influence your career.

Date: 15 June 2021, 5:00 – 6:00 pm CET

Location: Online (dial-in data will be sent separately shortly before the event)

The event will be followed by an online get-together.

We are looking forward to discussing these questions with our speakers

- **Krystle Baptista**, Spanish lawyer (abogada) and independent international arbitrator
- **Lucie Gerhardt**, German lawyer (Rechtsanwältin) and Associated Partner, Noerr Partnerschaftsgesellschaft mbB

The discussion will be moderated by

- **Ariane Sproedt**, German lawyer (Rechtsanwältin) and Senior Associate, Squire Patton Boggs

Registration

Please register by June 13th, 2021 at the latest via email to lopez@kniprath-lopez.com.
