Dear colleagues, partners and friends,

We are pleased to announce that in 2026 Madrid will host the XXVII International Arbitration Congress of the International Council for Commercial Arbitration (ICCA Congress). This is the first time this event is coming to our country, marking a historic milestone for the city of Madrid and for Spain. The choice of Madrid as the venue for this prestigious Congress underscores the commitment and efforts of the *Club Español e Iberoamericano del Arbitraje* (CEIA) and all its members to promote arbitration across the globe, and particularly in Spanish and Portuguese-speaking countries.

The ICCA Congress is the world's most important gathering in the international arbitration field. Every two years it brings together over 1,000 experts, including lawyers, arbitrators, academics and other professionals in the sector. During the four-day event, which will take place from 12 to 15 April 2026, Madrid will become an epicenter for the field and host top-tier presentations, debates and workshops, where the theory and practice of international arbitration will be examined in depth. Participants will also be able to enjoy a social and cultural program that will make this meeting in Madrid unique and memorable.

The impact of the ICCA Congress goes beyond the international legal community, attracting the attention of professional sectors and the industries associated with the field, and is widely covered both in the specialized press and in the media generally. All of this will undoubtedly strengthen the position of Madrid and Spain as a global arbitration hub.

The CEIA already has the institutional support of the City of Madrid, the Autonomous Region of Madrid and the Government of Spain, and hopes to have the support of the main players in the arbitration community – among which you must undoubtedly be counted.

Sponsoring the ICCA Congress will not only associate you with one of the most prominent and recognized meetings in the international legal calendar, but will also highlight your support and commitment to promoting and improving arbitration, mediation and other international dispute resolution mechanisms.

We look forward to receiving your support for ICCA 2026 MADRID and to sharing this exciting journey together.
