In person | 11 September 2025 | [Register now](#)

Join us for a first-of-its-kind event uniting all the Under 40 arbitration organisations in Portugal - APA-40, CAC Futuro, CEIA-40, ICC YAAF, PAMA and PT VYAP - to explore and share the real-life “war stories” that shape modern arbitration practice. This will be a unique opportunity to exchange insights with fellow practitioners in Lisbon’s increasingly vibrant arbitration community.
